

CYPRESS DENTAL

Social Media Consent

Cypress Dental is pleased to participate in social media outlets such as Facebook, Instagram, Boomerang, YouTube, etc. Through these venues we share staff pictures, office updates, new contests, and other fun and helpful information updates that may benefit our patients. With the expressed permission of our patients, we are pleased to share posts welcoming new patients to our practice, congratulating patients on completing their treatment, and showing photos of our patient's beautiful new smiles.

I give my consent to allow Cypress Dental to post updates or photographs of me/my child on social media.

I DO NOT give my consent to my/my child's information/photographs to be shared on social media.
